

Imaging Conference JAPAN 2006 Fall Meeting

The ISJ's Technical Conference on Imaging Science

November 21, 2006

PARURU Plaza KYOTO, Kyoto, Japan

The "Imaging Conference JAPAN 2006", annual meeting of the "Imaging Society of Japan", will be held following the below agenda. Although the meeting's name has been "Japan Hardcopy" from 1988, our society's research and development field has recently been enlarged from the original hardcopy technologies to electronic paper and image input technologies. Therefore the name shall be "Imaging Conference JAPAN" from this year on, thus inviting an even greater variety of contributions and encouraging an even livelier discussion on the general field of imaging.

Program topics

- | | |
|--|--|
| 1. Ink jet | 6. Display |
| 2. Electro-photography | 7. Image input |
| 3. Direct marking | 8. Image Processing and network |
| 4. Electronic paper, Re-writable marking | 9. Image measurement and evaluation |
| 5. Novel imaging | 10. Environment protection and energy saving |

An Invitation to Authors

Original technical contributions on imaging science and technology are invited. Suggested topics include those listed under "Proposed program topics". Oral presentations are 20 minutes long, including a 5-minute question period. Poster presentations will be planned when many papers are applied. Oral and poster presentations are considered as being equally important.

Please submit the information requested below via e-mail by August 28, 2006.

e-mail: event@isj-imaging.org

- Mail subject: [**ICJ2006Fall Abstract Submission**]
- Paper title
- Abstract of approximately 200 words.
- Author name(s), affiliation(s), address, telephone, fax and e-mail.
- Preferred session assignment
- Preference (if any) for oral or poster presentation.

Preferences will be accommodated whenever possible.

Full papers (within 4 pages) must be submitted by September 25, 2006

(Full papers should send what was printed on PDF (Acrobat Ver.5) and paper.)

Detailed instructions for the papers will be sent upon acceptance. Authors are responsible for obtaining the necessary and appropriate clearances from their company, or organization. If you have any questions or no information about paper acceptance, please contact the [ICJ2006 Fall Meeting] committee by e-mail: event@isj-imaging.org, or by fax: +81-3-3372-4414..
